

SFA'S HELPFUL GUIDE TO DONATING (NON-FOOD) ITEMS

Whether you are looking to donate unneeded/unwanted items, or looking to purchase items for those in need, we encourage you to check out these local organizations in Raleigh, Durham, and Cary.

Our parish promotes the concept of the 5 R's - refuse, reduce, reuse, repurpose, and recycle - to better care for our common home. We invite you to donate unused items in your homes that could be reused or repurposed by others, instead of adding them to the local landfill.

When donating used items, please ensure they are still functional with no missing parts, without tears, rips, holes, or stains, and have been washed if possible.

All locations listed are either supported by the St. Francis of Assisi 'Justice & Peace Tithe', or The Catholic Community of St. Francis of Assisi has collaborated with this organization.

WAKE COUNTY - RESIDENTIAL WASTE & RECYCLING GUIDE

In the case that items you own would not be accepted by any of the organizations listed, and if you are a resident of Wake County, the county has provided a printable document that covers each **convenience center, multi-material recycling facility**, and **household hazardous waste facility** in the area for item disposal.

The back side of this document will also inform you of what types of items are accepted at each facility and what will in turn be recycled, reused, or disposed of. It is an incredible list that ranges from appliances and batteries to propane tanks and scrap metal.

Click below to save/download your own copy of the guide:
